

Small Business Industry Day for the Sabine Pass to Galveston Bay Program Port Arthur Project

The U.S. Army Corps of Engineers (USACE), Galveston District and the Jefferson County Drainage District No. 7 will host an Industry Day for small business government contractors on **May 6, 2022, from 9 – 11 a.m.** at the Carl A. Parker Multipurpose Center, 1800 Lakeshore Drive, Port Arthur, Texas 77640.

The purpose of the event is to present upcoming work opportunities for the Sabine Pass to Galveston Bay Program's Port Arthur Project, help small businesses navigate through the contracting process, and provide an opportunity for businesses to network and meet potential vendors and subcontractors.

This event is open to all businesses, both small and large, interested in working with USACE Galveston District and will include presentations from USACE and an open forum for participants to meet with district staff.

To register for the event, please go to
